Logo background

Logo usage

Do

- Use the original files from this page
- Keep clear space around the logo (at least the height of the "A")
- Place the logo on a white or light background
- Respect the minimum size: 25 mm (1 in) wide

Don't

- Stretch, distort or tilt the logo
- Change the colours or add effects (shadow, outline, gradient)
- Place the colour logo on a busy or dark background
- Redraw or rearrange the logo

Stretched

Recoloured

On a dark background
